Natus neurology service coverage programs

Advance Care

Our most comprehensive service option ensures the ultimate in risk-free protection for those devices that are critical to your mission. Advance Care coverage provides all replacements parts, travel and labor protection at fixed costs for the duration of your service contract. This coverage also provides for higher training discounts.

Flex Care

Our Flex Care option provides a more economical approach to obtaining service contract coverage with all replacements parts, travel and labor protection at fixed costs for 5 onsite visits per year per facility.

Basic Care

Our Basic Care option provides optimal protection for your system with overnight shipment of replacement parts and inhouse repair if required for your system. A loaner will be provided during the repair of your system.
